RESPONSE TO OFFICE ACTION

This is in response to an Office Action mailed September 26, 2007.

In the Action, the Examiner noted Applicants' arguments filed April 2, 2007 with respect to claims 1-2, 5 and 7-12 have been considered but are moot in view of the rejection under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1 and 4-10 of U.S. Patent No. 7,211,352, but that a terminal disclaimer will overcome these rejections.

Accordingly, in response, submitted herewith is a Terminal Disclaimer in compliance 37 CFR 1.321(c) responsive to the rejection of Claims 1-2, 5 and 7-12 under the judicially created doctrine of obviousness-type double patenting in view of U. S. Patent No. 7,211,352, issued to Lee et al..

In view of the foregoing, reconsideration and withdrawal of the outstanding rejection of record is requested.

If there are any additional fees due in connection with the filing of this response, please charge those fees to our Deposit Account No. 02-2666. A duplicate copy of this sheet is enclosed.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR, & ZAFMAN
